Palmer,

Ex. 5 - Deliberative

I'm impressed with all you pulled together, it makes revision by Monday very doable if Then will put in a couple hours over weekend - won't take more than that.

Subject: Notes from Deputy's Briefing on Bristol Bay

Dave:

Here is a draft email with our notes for revisions to the BB powerpoint. Please send to Richard P and cc Michael Szerlog and Phil North.

Richard:

I thought the Deputy's briefing went very well and Bob S provided us with some good recommendations for refining the briefing materials in preparation for the Administrator's briefing. I've jotted down some of my thoughts based on what I heard in the briefing. If it's possible, it would be great if these edits could be made before the briefing with Nancy Stoner on Monday. I've asked Palmer to be on call over the weekend to help out.

Thanks, Dave
